

Access and Login to Bend Neuro Patient Portal without a user name or password

Forgot your password? Can't get logged in using the information you saved? This guide provides a quick and easy way to access and log in to the Bend Neuro Portal without needing a username or password. By following simple steps on the website, users can securely access their medical information using just their first name, last name, and date of birth.

1 Navigate to <https://www.bendneuro.com/>

2 Click "Patient Portal"

3 Click "Using Mobile Phone"

How to Bend Neurological Associates

with your physician's office by providing convenient access from the comfort and privacy of your own home

The screenshot shows a web interface for logging into a patient portal. On the left, there is a sidebar with menu items: 'Patient Portal record', 'Appointment', and 'Medical statements'. The main content area is titled 'Login To Patient Portal'. It features two radio buttons: 'User Credentials' (selected) and 'Using Mobile Phone' (highlighted with an orange circle). Below the radio buttons are three input fields: 'User Name', 'Password', and a date field with a calendar icon and the placeholder 'mm/dd/yyyy'. A dark blue 'Login' button is positioned below the input fields, and a link for 'Trouble logging in?' is located to its right.

4 Click the "First Name" field.

How to Bend Neurological Associates

with your physician's office by providing convenient access from the comfort and privacy of your own home

This screenshot shows the same 'Login To Patient Portal' form as above, but with the 'Using Mobile Phone' radio button selected. The 'User Credentials' radio button is now unselected. The 'First Name' input field is highlighted with an orange circle. The 'Last Name' and date fields remain visible below it. The 'Submit' button is now present at the bottom of the form, and the 'Trouble logging in?' link is no longer visible.

5

Type in your "first name" "last name" and "Date of birth"

6

Click "Submit"

Download App
healow app is a secure and convenient way to manage what's important and puts you in control of your health.

7 Click "Send Code"

The screenshot shows a patient portal interface. On the left, there is a navigation menu with three items: "To Patient Portal" (with a right arrow), "Televisit" (with a right arrow), and "Your bill" (with a right arrow). The main content area is titled "Login Using Email/Mobile Phone". Below the title, it says "We will send verification code to confirm access to below number." and "Standard text messaging rates apply". There is a radio button selected next to the phone number "*** - *** - 0310". A dark blue button labeled "Send Code" is highlighted with an orange circle. To the right of the button is a link "Return to Login Page". At the bottom, there is a "Download App" section with a smartphone icon and a download arrow, followed by the text: "The healow app is a secure and convenient way to manage what's important and puts you in control of your health."

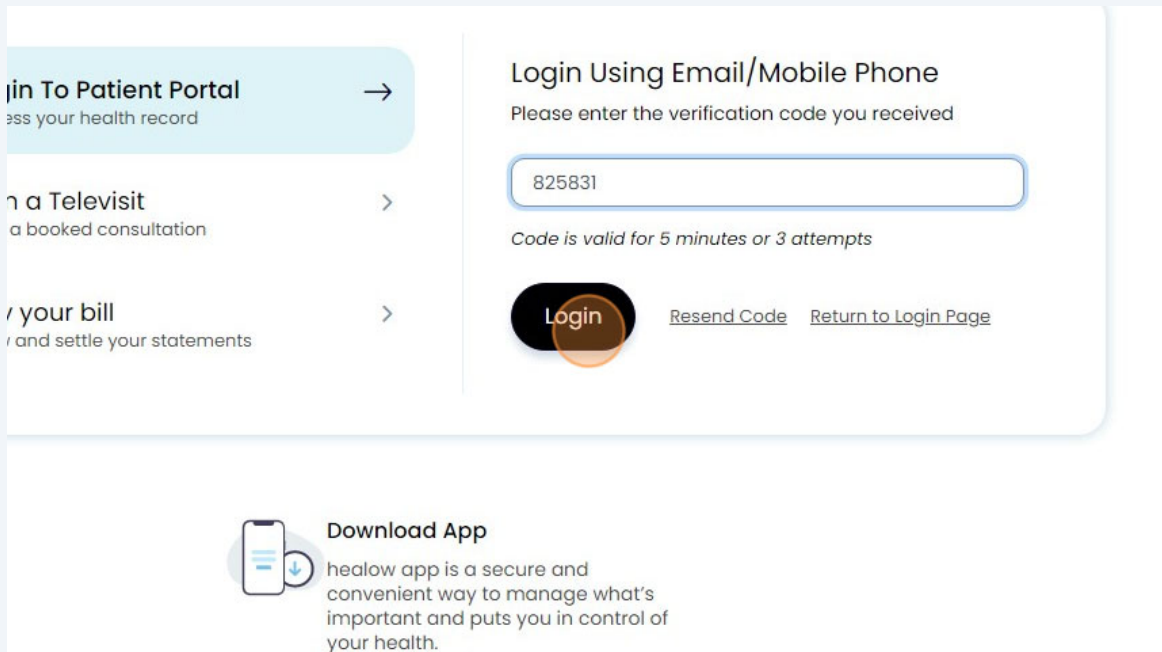

8 Click the "Enter code" field.

The screenshot shows the same patient portal interface as in step 7. The main content area is titled "Login Using Email/Mobile Phone" and says "Please enter the verification code you received". Below this is a text input field with the placeholder text "Enter code", which is highlighted with an orange circle. Underneath the input field, it says "Code is valid for 5 minutes or 3 attempts". At the bottom, there is a dark blue button labeled "Login", and to its right are two links: "Resend Code" and "Return to Login Page". The navigation menu on the left is the same as in the previous screenshot.

9 Type in the verification code send to your selected device: "XXXXXX"

10 Click "Login"

The screenshot displays the patient portal login interface. On the left, there is a sidebar with three menu items: 'Login To Patient Portal' (with a right arrow), 'Schedule a Televisit' (with a right arrow), and 'Pay your bill' (with a right arrow). The main content area is titled 'Login Using Email/Mobile Phone' and includes the instruction 'Please enter the verification code you received'. A text input field contains the code '825831'. Below the field, it states 'Code is valid for 5 minutes or 3 attempts'. A prominent 'Login' button is visible, along with links for 'Resend Code' and 'Return to Login Page'. At the bottom of the page, there is a 'Download App' section with a smartphone icon and a downward arrow, followed by the text: 'The healow app is a secure and convenient way to manage what's important and puts you in control of your health.'

11 You should now be logged in to the patient portal homepage
